Your young person has signed up to play paintball on Wednesday nights during our codRED target group activities. Paintball is a very physical sport and will require teenagers to be on a wooded course exposed to nature. When a person is struck by a paintball a red mark may be left on the body. We have full face masks that each participant must wear while playing, and body padding is optional. We want you to be aware of the details of the event. Your permission is necessary for participation. No young person under 18 years of age will be allowed to play unless this form is completed and returned. If you have any questions about this event you can call 571-220-6414. We look forward to answering any questions you may have.
