#### CAMBRIA COUNTY FAIR RULES:

##### 4-H AND VOCATIONAL:

1. Exhibitors must be able to keep their animals under control. Due to weight variances and weight limits, the Fair will attempt to have an equal number of steers in each weight class. A committee representing show management will observe the handling of all animals both in and out of the show ring and will have the authority to disqualify any exhibitor for unethical practices. In the case of an unruly animal, adult supervision will be provided at ringside for the exhibitor. In any case the exhibitor must remain with the animal. If the animal poses a safety risk to any of the exhibitors or other animals it will be removed from the ring at the discretion of the superintendent/show stewards. This in turn will cause any forfeiture of class placing and the animal will be ineligible to be sold through the livestock sale. Any Special Needs exhibitor will be permitted assistance in the show ring/sale from a parent, 4-H'er or designated adult.
2. Steers will be weighed Monday Morning at 7:00 a.m. For class purposes. All exhibitors are responsible for getting their steers on the scale at weigh time,
3. No contestant may enter more than 2 animals (both may be sold). Steers will be sold at the Junior Livestock Sale. Champion and Reserve Champion must be sold. Any questions concerning any exhibitor's eligibility to show during the Fair must be expressed to the an Extension Agent prior to the Fair or on Sunday of Fair week. This is the only time you may question an exhibitor's eligibility to show in a livestock show during the week of Fair. The question will be resolved promptly by examining the 4-H clubs Organizational sheets and /or the Secretary's Book.
4. Junior Market Steers will not be eligible to show in the Open Market Steer Show.
5. A suitable ½ inch rope halter must be left on any steer sold through the sale until the animal is loaded out.
6. Exhibitors will be charged a commission of 2% of gross sales per head, for animals sold through the sale, to be used for advertising and other sale expenses. The Pennsylvania Beef Council check-off of \$1.00 per head will also be deducted.
7. Following the market show, members are required to inform the Extension Staff of animal (s) not to be catalogued for the sale. Failure to comply will result in the animal (s) being sold through the Livestock Auction.
8. Because of limited space and to ensure equal access to the steer washing facilities, grooming chutes are not permitted in the Beef Barn wash rack. Each exhibitor may enter 2 Steers, 2 Dairy Beef, and 2 Veal Calves. All animals will be sold during the 4-H Livestock Sale. Grand champion and Reserve Grand Champion MUST be sold at the Livestock Sale. Any animal entered in the Livestock Show or Sale shall not receive any treatment with drugs or biologics within the withdrawal time prior to slaughter. Withdrawal times for drugs and biologics are stated on the directions for use. Label directions must be followed at all times. If upon slaughter, a recent treatment with drugs or biologics is found to have been administered prior to the sale and the treatment is the cause of condemnation of a carcass, the loss of the carcass will be borne by the exhibitor. In order to make a desirable appearance at the main Beef Show, the Cambria County Fair requires all steers to be fitted in a modern day fashion to be determined by the Beef Superintendent.

9. Each exhibitor is responsible for the care of their animal(s) until the animal(s) is loaded out. Each Exhibitor is responsible for keeping stalls clean with fresh bedding and all animals must be well groomed at all times.
10. Each exhibitor or a representative of the exhibitor must be present, and is responsible for loading their animal when picked up by the buyer.
